MEMORANDUM FOR: Secretary to PROCIB *ABT*

SUBJECT: Commendation of [REDACTED] 25X1A9a

The Division of Intelligence Collection and Distribution, IRC, INR, State wishes to draw to the attention of PROCIB the commendable work performance of [REDACTED]

Both officers have exhibited considerable resourcefulness and initiative in carrying out their assigned duties and responsibilities; there is attached a summary of this Division's evaluation of their performance.

The Chief of ICD, Mr. Leo M. Goodman, has suggested that these evaluations and proposed commendations be placed on the agenda of the next regular meeting of PROCIB, noted as September 1959, in the form of Departmental proposals which Mr. Goodman will actively support. When the commendations are in the form of PROCIB resolutions, they would then be embodied in the form of instructions to [REDACTED] copies of which would go into the Personnel Evaluation Branch folders for the men concerned.

Mr. Goodman is of the opinion that this procedure should, if acceptable to PROCIB, become the standard method for commending full-time Publications Officers.
